2027 FUTURE RESEARCH TALENT (FRT) PROGRAM

INDIA

Travel to The Australian National University (ANU) in Canberra, Australia in 2027 to complete a collaborative research project

- > May – August 2027
- > A\$ 8,500 grant
- > Selected institutions in India
- > Applications open: 11 August 2026
- > Applications close: 25 September 2026

The 2027 FRT program will provide selected Indian students with an opportunity to travel to ANU to pursue collaborative research, for a period of 11-12 weeks, in a range of Science, Technology, Engineering, Mathematics, and Medicine Research disciplines.

FRT is a competitive and prestigious program attracting scholars from top-tier Indian institutions.

The program offers a valuable opportunity for India's emerging research talent to form international connections and develop research skills at one of the world's leading universities*.
